Only A Few Things (feat. ZoÃ« Johnston)

Above & Beyond

Only a Few Things
Only a few things will we recall
With love, with gratitude
Only a few things
On the hour in which I die
So if I cannot tell you
If the words I do not find
I want you to know
There are only a few things
That I will be carrying
In my memory when I go
Only a few things will we recall
With true happiness, with gratitude
Only a few things
I see you
I see you
You, you were the joy in my life
The one who loved my tired bones
The one who came to stay
So if I do not tell you
If I don't find the words
It is NOT because I don't feel it in my heart
you're the one who loved my tired bones
you're the one who took me home
You, you brought joy to my world
So I will tell you now
In case you don't know
That you'll be with me
When I go
Only a few things will we recall
With love, with gratitude
Only a few things
On the hour in which I die
