# Get Up And Praise

## Kelly Price

Ya'll ready to have a good time?

Get up and start to praise him
It's time to dance you can't sit down
Cause he's been so amazing
You gotta praise him so get up and

Get up and start to praise him
It's time to dance you can't sit down
Cause he's been so amazing
You aught to praise him so get up and

[Chorus]
Get up and start to praise him
It's time to dance you can't sit down
'Cause he is so amazing
You gotta praise him, get up and [x2]

You've been sittin' here tonight
While the spirit's been so high
Hair perfected, calm collected
Your really looking good tonight

Well I wonder why your here
And if your love for him's for real
Get up out your seat and move your feet
So get up and, get up and

[Chorus]

Now get your back up off the wall
I dare you to just give him your all
Why are you waiting, anticipating
It's much better than to stall

Now may I beg your pardon please
I want you to take this ride with me
Give me your hand, now would you stand
And may I have this dance

[Chorus:Repeat x2]

It's time to celebrate!

Celebrate!
(Yeah, and don't delay, nooo o)
Don't delay!
(Please don't wait, ooohho)
Please don't wait!
(Tell them cause this may be your last)
This may be your last chance!
(This may be your last )
This may be your last chance!

(Oh why don't you celebrate)
Celebrate!
(Please don't wait, nooo oo)
Don't delay!
(Don't wait don't wait)
Please don't wait!
(Why, 'cause this may be your last)
This may be your last dance
(And this may be your last)
This may be your last dance
(Get up! Get up!

Get up and start to praise him
It's time to dance you can't sit down
Cause he's been so amazing
You gotta praise him so get up and

Get up and start to praise him
It's time to dance you can't sit down
Cause he's been so amazing
You gotta praise him so get up and

[Chorus]
