

Comes Love

Johnny Nocturne Band

Comes a rain storm, put your rubbers on your feet
Comes a snow storm, you can get a little heat
 Comes love, nothing can be done
Comes a fire, firemen come and rescue me
 Blow a tire, you can patch the inner tube
 Comes love, nothing can be done
 Don't try hidin'
 'Cause it isn't any use
 You'll just start slidin'
 When your heart turns on the juice
Comes a heat wave, you can hurry to the store
Come a summons, hide yourself behind a door
 Comes love, nothing can be done
Comes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
 Comes love, nothing can be done
Comes the measles, you can quarantine the room
Comes a mousie, you can chase it with a broom
 Comes love, nothing can be done
 That's all brother
 If you've ever been in love
 That's all brother
 And you know just what I'm speakin' of
Comes a nightmare, you can always stay awake
 Comes depression, you could get another break
Comes love, nothing can be done, nothing can be done
