Zebra Katz

Uh, Uh, Uh, Uh

I'mma take that bitch to college
I'mma give that bitch some knowledge
Understand that your bitch top novice
Just clap your hands let me get my dollars
Smell the trees in the breeze, in the breeze
I'mma weed, I'mma weed, I'mma weed
I'mma dance, I'mma kee kee kee
In fact, your mans wanna meet meet me
Little G, Little G, Little G

I'mma hand you a free CD
Take a chance if you see me be
Click clack a dan jigga rip the fee (?)
Betcha play, Betcha play, Betcha play
Nigga wait, Nigga wait, Nigga wait
'Nother reason to be sneaky
Whip up your plan, but your tricky tricks
I'mma, I'mma, Imma
I'mma, I'mma, Imma (That bitch)
I'mma, I'mma, Imma read
