

# Back the Way (Girls' Point of View)

Carly Simon

Back the way it was before  
Before the door was opened  
Back the way it was before  
Before the ice was brokenBack the way it used to be  
Everyone thought I was funny  
But nobody ever asked me  
If I wanted tiny little sandwiches  
Sent up to my roomBack the way it was before  
I was always waiting  
Everyone thought I was okay  
But now I'm scintillatingBack the way it used to be  
Some people thought I was pretty  
But not many passes were made at me  
Back the way it was beforeBut now my prayers are answered  
And my star is on the rise  
Flashbulbs popping, traffic stopping  
Everyone's my best friendBack the way it used to be  
Money was always a tyrant  
I spent it all paying my rent  
Back the way it used to beBut now my prayers are answered  
And my star is on the rise  
Flashbulbs popping, traffic stopping  
Everyone's my best friendBack the way it used to be  
Sing a song of long ago  
Back the way it used to be
