

Beautiful Eyes

Hanson

Beautiful Eyes

I.Hanson / T.Hanson / Z.Hanson Her beautiful eyes

Are all I want to see

Staring back at me

Just like I'm staring into the sun

Hey tender touch

Is all I want to feel

As I hold our baby Seems it's been so long since

I saw her smiling face

Even though it was only yesterday

And I miss her, oh

Yes I loved her so

And I wonder why

She had to go and I said Her beautiful eyes

Are all I want to see

Staring back at me

Just like I'm staring into the sun

Hey tender touch

Is all I want to feel

As I hold our baby
