

Hometown

James Kennedy

I know sometimes we love to hate it
But let's show a little celebrating
And raise a glass for the times that have passed
In this town, even when it's knackered and shut down
I don't take it for granted now
I can see it was on these streets Where I felt like a loser, felt like a King
Got my heart broken and fell in love again
It's no fairy tale but this is the land
Where the stories were written that made me what I am so...Nah nah nah nah nah nah nah
Always remember from where you came
Nah nah nah nah nah nah nah
'Cos home is where the heart is
Nah nah nah nah nah nah nah
We both change but it stays the same
Nah nah nah nah nah nah nah Slow down, just take a minute
And know now the moment while you're in it
And raise a glass for those that have passed
'Cos I've been over to the other side
And I think that we're doing alright
And I'm proud of this town Where I made my mistakes and paid my dues
Met a few legends and nutters too
I made the best of you and a mess of me
But you couldn't put a price on these memories so...Nah nah nah nah nah nah nah
Always remember from where you came
Nah nah nah nah nah nah nah
'Cos home is where the heart is
Nah nah nah nah nah nah nah
We both change but it stays the same
Nah nah nah nah nah nah nah Nah nah nah nah nah nah nah
Always remember from where you came
Nah nah nah nah nah nah nah
'Cos home is where the heart is
Nah nah nah nah nah nah nah
We both change but it's always the same
Nah nah nah nah nah nah nah
