Swans (Extended Version)

Unkle Bob

By my side,
youll never be.
By my side,
youll. never. be.'Cause Im fake at the seams,
Im lost in my dreams, and
And I want you to know,
that I cant let you go.And youre never coming home again,
And youre never coming home again.By my side,
youll never be.
By my side,
youll. never. be.(x2)I wanted to tell you I changed.
I wanted to tell you that things would be different this time.I see you, you see me,
Differently.
I see you, you see me,
Differently.You tell me that you love me but you never want to see me again. (x4)
