Cry Out

The Answer

Cry outCry out we are young
So high and hooked on trouble gum
Stand tall and have no fear
Take back the power ringing in my earsCry, cry out loud
Cry, we stand our ground
To shine, to shine like gold
Don't break before you lose control
Oh yeahStrange smells fill the air
It's Friday at the Mariner
The girl I love calls my name
She's all alone in the pouring rain, she says
Lie down on the grass, light up your smokes
Clouds are rolling pastCry, cry out loud
Cry, we stand our ground
To shine, to shine like gold
Don't break before you lose control

Oh yeahOh show me the future man so I can prepare
The wheels are in motion to I don't know where
The people who are shifting they would hold me here
And I, I'm not afraid, no, and who are they for tellin' my direction
Tell me, who, yeahCry out I am free
Nobodies gonna stifle me
Got no sleep last night I'm not done yet
Be strong don't ever listen to the doubts in your headCry, cry out loud
Cry, we stand our ground
To shine, to shine like gold
Don't break before you lose control
Oh yeahDon't break before you lose it
Be strong, be strong, you gotta hold on
Shine like gold, shine like gold
Don't break before you, before you, before you, lose control!
