

Function

Denali

watch it only I don't know
how to get a thing like you
I'm sold on your line
all nice and straight now
I'll tug on this end too long
something shut down on the way here
I don't know what it is
or what it has to do with me
talk to me but I will promise
something strange is coming down on me
and now it's already over
all this wasted time at being so good for you
and now it's already over
