

I Can Feel You

Ne-yo

Verse 1

Want to, but I cant help it
I love the way it feels,
Its got me stuck between my fantasy and what is real
I need it when I want it, I want it when I dont
Tell myself Ill stop everyday, knowin that I wont[Bridge]
I got a problem and I dont know what to do about it
Even if I did, I dont know if I would quit but I doubt it
Im taken by the thought of it, and I know this much is true
Baby, you have become my addiction, Im so strung out on you
I can barely move but I like it[Chorus]
And its all because of you [3X]
And its all because
Never get enough,
Shes the sweetest drug

Verse 2

Think of it every second
I cant get nothing done,
Only concern is the next time, Im gonna get me some
Know I should stay away from, cause its no good for me
I try and try but my obsession wont let me leave[Bridge]
I got a problem and I dont know what to do about it
Even if I did, I dont know if I would quit but I doubt it
Im taken by the thought of it, and I know this much is true
Baby, you have become my addiction, Im so strung out on you
I can barely move but I like it[Chorus]
And its all because of you (all because of you) 3X
And its all because
Never get enough,
Shes the sweetest drug
Aint no doubt, so strung out 2X
Over you, over you, over you
