

# Let's Find Out

**John Berry**

How much woman can one man take?  
Can I be more loved than I am right now?  
Can we go for broke and our hearts not break?  
Oh, I don't know but let's find outHow much dreamin' can one man do?  
And every dream come true somehow  
Will we feel this way our whole lives through  
Oh, I don't know but let's find outOh, oh, oh  
Can a word mean more, oh, oh, oh, I didn't know before?  
Oh, oh, oh  
We can answer this with a single kiss, just a single kiss  
Let's find out if two lovers can out last their forever's  
Let's find out if it's possible to care  
So faithfully that there's no doubt let's find out  
Can there be more stars in the sky tonight?  
They're not as bright as your eyes right now  
Can we burn like candles till the morning light?  
Oh, I don't know but let's find out  
Oh, oh, oh, can a word mean more?Oh, oh, oh, can a word mean more?
