

Cock and Love

Cliteater

Sweet tribute, to the 60's
Free love, free porn was all around
Fuckin' hippie shit used as an excuse
For sexual indulgences Huge Woodstock porn fest
Screwing in the sun
The answer my friend is giving me
A blowjob while I break
Like the wind Backstage orgies took place
There was no such thnig as shame
Jimmy going down on Janis
While the Mamas and the Papas
Were watching Joe Cock her getting a hard on
Seeing Simon and Garfunkel fucking
The byrds in the ass Back then it was only
It was only [Chorus]
Cock and Love
Cock and Love
Cock and Love
Cock and Love
Back then it was only
It was only [Repeat chorus X2]
