

Makin Me Crazy

Tommy Lee

Seasons change
And you remain to find me here
A parting gift
You woke me to how I can feel
Cause its in your hands I healWhere the hell you been?
Wish I'd met you then Let you in
Lovers Start as friends hope this never ends
Lets begin
Ohh yeah yeah
Lets begin
Where the hell you been?
Wish I'd met you then Let you in
Lovers Start as friends hope this never ends
Lets begin
Ohh yeah yeah
Lets beginSo say the words
Say the words I want to hear
Oh yeah
Cause I've the faith
Even if my bloods unclear
I've no more desire to fearWhere the hell you been?
Wish I'd met you then Let you in
Lovers Start as friends hope this never ends
Lets begin
Ohh yeah yeah
Lets begin
Where the hell you been?
Wish I'd met you then Let you in
Lovers Start as friends hope this never ends
Lets begin
Ohh yeah yeah
Lets beginI love it when you say and maybe
I love it when you make me crazy
I love it when you say and maybe
I love it when you make me crazyWhere the hell you been?
Wish I'd met you then Let you in
Lovers Start as friends hope this never ends
Lets begin
Ohh yeah yeah

Lets begin
Where the hell you been?
Wish I'd met you then Let you in
Lovers Start as friends hope this never ends
Lets begin
Ohh yeah yeah
Lets beginI love it when you say and maybe
I love it when you make me crazy
I love it when you say and maybe
I love it when you make me crazy
