

# Love I'm Yours

Tamia

Verse 1:

I'm hiding deep in my shadow,  
hoping that love love won't look for me here.

I know i have to keep moving  
or I could be found by the scent of my fears.

Because love and I,  
we broke up one night,  
and the sad thing is it was my fault, my call.

I cried late at night.  
Though these tears (are) in my eyes,  
I know myself I'm ready to try again.

Chorus:

Love how did you find me?  
How is this happening?  
I ran so far away.  
How did you catch me?  
But now that you've found me,  
I'm ready to love again,  
ready to give him what's left of my heart.  
I won't cry anymore.  
I won't close no more doors.  
I guess what I'm saying is,

Here love I'm yours.

Verse 2:

I've spent some time alone working,  
looking inside at working on me.  
I know I called you the stranger  
like it was your fault but now I can see.

Because love and I,  
we broke up one night,  
and the sad thing is it was my fault, my call.

No more crying at night.  
No more tears in my eyes,  
I know myself I'm ready to try again.

(Chorus)

Bridge:

How did you find me?  
How is this happening?

I ran so far away.  
How did you catch me?  
(Chorus)
