Extra

Just a Band

Extra, Extra
Extra, Extra
Tired of being less than you
I can do much better than you
Doesn't matter what it takes
I don't care so much at stake
Cut it snip it trim it down
I'm gonna be what you're about
I'm gonna show you how it's done
I'm gonna get better, yes better, get better
I can be better (Extra)
I'm a go-getter (Extra)
I can see clearer (Extra)
Gonna get nearer (Extra)
