What about a hit of your look.
Start to shake
Start to shake with your hand
What of a click?
What of a click, are you a freak?
You turn and face me
Maybe this time I'll chooseWhat about a hit?
What about a hit of your look
Start to shake

What of a click?
What of a click, are you a freak?
You turn and face me
Maybe this time I'll choose(Ooh)What about a hit of your look (ooh)
