## **Amazing High**

## **Lindsay Pagano**

It's an amazing high That starts my heart racing hours until I see you walk by then panic is gone Our love won't lead us on I thought I saw you lookin' back Down the hall it was hard to tell Your eyes were dark but I could feel you holding on Just like I'm holding on Right in time your eyes in mineBut we have to wait, don't we? 'Cuz some people don't seeIt's an amazing high That starts my heart racing hours until I see you walk by then panic is gone Our love won't lead us onI thought I heard you call my name Like a dream that leaves you Wondering if it's real and There you were with a smile that said You're with me now and always Here together night and dayAnd we can wait, can't we? 'Cuz love's not too blind to seeIt's an amazing high That starts my heart racing hours until I see you walk by then panic is gone Our love won't lead us on, yeah, yeahAnd you know when you're near me I feel in control Together we make an old soul And I don't care what they say or what they think they see

I see you walk by then panic is gone
Our love won't lead us on
No, our love won't lead us onIt's an amazing high
That starts my heart racing hours until
I see you walk by then panic is gone
Our love won't lead us on

'Cuz this is me, yeah, you and meAlrightIt's an amazing high That starts my heart racing hours until
