

# Operators Manual

## Buzzcocks

Operators manual  
Tells me what to do  
When emotions blow a fuse  
Indicating blueOperators manual  
Tells me what to find  
And how to make adjustments  
When you tamper with my mindOh, operators manual  
I'd just fall apart without you  
If only I had a mechanic  
Then somehow I know I'd pull throughOperators manual  
On page sixty-three  
Tells me what to do  
When you do these things to meOh, operators manual  
I'd just fall apart without you  
If only I had a mechanic  
Then somehow I know I'd pull throughOperators manual  
Tells me what to do  
When emotions blow a fuse  
And I'm feeling blueOperators manual  
On page sixty-three  
Tells me what to do  
When you do these things to meOh, operators manual  
I'd just fall apart without you  
If only I had a mechanic  
Then somehow I know I'd pull through
