

Rock Steady (Remastered)

Bad Company

Now I, when I
Want to rock steady, baby
I know that I've got to get ready now, alright
Close my eyes and I'll let myself go
I listen to, baby now let the music flow Turn on your light
And stay with me awhile
Ease your troubled mind
Turn on your light
Rock steady When my love
Gets a little bit too heavy
She's mine but I've got to get ready now
Close my eyes, let myself go
I listen to, c'mon baby, let the music flow Turn on your light
And stay with me awhile
Ease your troubled mind
Turn on your light
Rock steady Turn on your light
And stay with me awhile
Ease your troubled little mind
Turn it on for me baby
I want you to rock rock rock Turn it on baby
Stay with me awhile
Ease your troubled mind
Turn it on baby, yes
Rock steady
