

# A Reason

Dana Glover

Two steps forward, and three steps back  
And I don't know where we are  
You say it's your way and I'll say it's mine  
And we are lost here in the dark  
Not just a matter of talking it out  
You know it don't mean nothing if there's something to hide  
And oh, I know you know just what I'm talking about  
There's an unspoken hesitation we both really though  
Am I here, am I there  
Tell me where I belong  
All that I need is a reason  
Am I wrong, am I right  
Are we saying goodbye  
Give me something to believe in  
'Cause all that I need is a reason  
It's complicated so overrated  
Say all we need is a lie  
And my baby believe me, I wish it was that easy  
Sometimes love just isn't any right  
This indecision is wearing me down  
And I, I can no longer something so undefined  
I've got to know if I was lost and then found  
This situation has got me crazy, going out of mind  
Am I here, am I there  
Tell me where I belong  
All that I need is a reason  
Am I wrong, am I right  
Are we saying goodbye  
Give me something to believe in  
'Cause all that I need is a reason  
If you would only just leave your fear on this flower  
All that I need is a reason  
I'd be the one who'd never let you go and you know that I know  
All that I need, all that I need is a reason  
All I need, all I need  
Yeah yeah yeah  
Am I here, am I there  
Tell me where I belong  
You know all that I need is a reason

Am I wrong, am I right  
Are you saying goodbye  
Give me something to believe in  
'Cause all that I need all, that I need is a reason  
Am I here, am I there  
Tell me where I belong  
All that I need is a reason  
Am I wrong, am I right  
Are you saying goodbye  
Give me something  
whoa whoa whoa  
All that I need  
Yeah yeah yeah now  
All that I need, all that I need  
'Cause all that I need is a reason
