

Mean Love

Sinkane

Just 'cause you've shown up everyday
Doesn't mean that I think you'll stay
 I know you'll leave
 Hell, you're leaving me
 Now, as we speak
 And I can't count on anything
 To take your place when you take your leave
 You happen once
 And heaven knows I'll say,
 "You may as well not"
 You know I love you but you're mean
 You know I love you but you're mean to me
 Just when I think you're bein' sweet
 I remember that you're also brief
 I fall in love
 But I know it won't
 It won't last long
 Here and right now
 Time feels too short, right now
 But it's all we got
