

# Show Them to Me

## Rodney Carrington

Well it seems to me that this whole worlds gone crazy  
Theres to much hate and killin goin on  
But when i see the bare chest of a woman  
My worrys and my problems are all gone  
No one thinks of fightin, when they see a topless girl  
Baby if you would show yours too, we could save the world

Show them to me, show them to me  
Unclasp your bras and set those puppies free  
They'd look a whole lot better without that sweater baby i'm sure you'll agree  
If you got, two fun bags,  
Show them to me

I don't care if they don't match or if ones bigger than the other  
You could show me one, and i'll imagine the other  
Even if your really old, theres nothing wrong  
Don't be sad your boobs ain't bad, there just a little long

Show them to me, show them to me  
Lift up your shirt and let the whole world see  
Just this row, show your globes and a happy man i'll be  
If you got, those chi chi's,  
Show them to me

I've met a lot of them, but never one i hated  
Even if you had thirteen kids and you think they look deflated  
Theres no such thing as a bad breast, i belive this much is true  
If your a big fat man im a titty fan and i'd love to see yours toooo

Show them to me, show them to me  
Just like the girls gone wild on t.v.  
Just lean back and show your rack and i'll be in ecstasy  
If you got two casabas  
Show them to me

All the world will live in harmony  
It'll do ya good, it'll give me wood, we'll make history  
If you love your country, i'm gonna say it one more time,  
I said if you love your country  
Then stand up and show them big old tittie to meeee
