

The Bottom Line

We Are Forever

I could be seventeen as long as you believe in me
Iâ€™ll write songs verse by verse if thatâ€™s the way to break the curse

Cause I donâ€™t see myself anywhere but here.
Iâ€™ll whisper in your ear just what you wanna hear
To keep you moving closer to me dear
Shaking for a taste of recklessness and fear

Sign on the bottom line
Sell your soul to the sole reason you were put onto this earth
We couldnâ€™t preserve any more or any less of ourselves in this mess

Cause I donâ€™t see myself anywhere but here.
Iâ€™ll whisper in your ear just what you wanna hear
To keep you moving closer to me dear
Shaking for a taste of recklessness and fear

Cause seasons come and seasons go
Following the followers
I confess Iâ€™m not a man for nonconformity
Well Iâ€™m a mess and thatâ€™s a fact
Hypocrite, insomniac
Reaching for a goal instead of sleep

Cause I donâ€™t see myself anywhere but here.
Iâ€™ll whisper in your ear just what you wanna hear
To keep you moving closer to me dear
Shaking for a taste of recklessness and fear

I donâ€™t see myself anywhere but here
No I donâ€™t see myself anywhere but here
I donâ€™t see myself anywhere but here
Shaking for a sense of recklessness and fear
