Squirtgun

Shoo ba dee bop
Shoo ba dee bop
Shoo ba dee bop
Yeah
I'm sitting here, writing this letter
And hoping it will make you feel better
We've been through the sunshine and the rain
And I never realized that you were in pain, yeah
Someone has mistreated you, left you all alone and blue
And don't you know it hurts me, too
And, baby, I know my life won't be the the same
And if you hear me call your name, girl
(Shoo ba dee bop, shoo ba dee bop, shoo ba dee bop)
Maryann
You will never need another
(Shoo ba dee bop, shoo ba dee bop, shoo ba dee bop)
Here I am
I will be your real lover
Someone else's plans and his schemes
Left you with these broken dreams
Dreams that keep you up all night, yeah
I know my life won't be the same
And if you hear me call your name, girl
(Shoo ba dee bop, shoo ba dee bop, shoo ba dee bop)
Maryann
You will never need another

(Shoo ba dee bop, shoo ba dee bop, shoo ba dee bop)
Here I am
I will be your real lover
You and I can make it if we stay together, baby
And if we try, we will last until forever whoa, whoa
Shoo ba dee bop, shoo ba dee bop, shoo ba dee bop
(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Maryann
You will never need another
(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Here I am
You will see, it will be, you're the only one for me

(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Maryann
You will never need another
(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Here I am
(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Maryann
You will never need another
(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Here I am
I will be your real lover
(Shoo ba dee bop, shoo ba dee bop, baa baa shoo ba dee bop)
Maryann
