

# Brand New Day (Acoustic)

Bryan Adams

Johnny had a plan, gonna see the world knew he had to go  
Gonna take his girl and then make their to Ontario  
She said why you looking at me that way?  
You gonna go or are you gonna stay? Get up, get up, get up, hear what I say  
Wake up, wake up, wake up, go find a better way  
Get up, get up, get up, it's a brand new day So we fly tonight on an east bound fray going anywhere  
Driving through the night through the wind and rain and took him all the way there  
Gone in the hours as the miles slipped away  
In the sound of wheels he could still hear her say Get up, get up, get up, whatever it takes  
Wake up, wake up, wake up, can your head shake?  
Get up, get up, get up, it's a brand new day  
It's a brand new day Whatcha thinkin' about, man, you betta get out  
I'm gonna be someone, have my day in the sun  
Whatever, you won't know if you won't try  
So bye bye baby, bye bye baby, bye bye Sometimes you lay awake thinkin' bout the things you never told her  
So on a starry night from the noisy bar you telephoned her  
You could come down, I'll meet your train  
She just laughed and said "some people never change Get up, get up, get up, hear what I say  
Wake up, wake up, wake up, go find a better way  
Get up, get up, get up, it's a brand new day  
It's a brand new day  
Gotta find a better way  
Turn down bye bye, bye bye baby, bye bye  
It's a brand new day  
It's a brand new day
