

All of Us (feat. ANIMA!)

Dirty South

Close your eyes
When we hear it were hypnotized
From the feeling so say goodbye
In the meantime
Let it all go (oh, ooh, oooh) Feeling so high
When you know it you're hypnotized
In the moment just lose your mind
In the meantime
Let it all go (oh, ooh, oooh) Close your eyes
When we hear it were hypnotized
From the feeling so say goodbye
In the meantime
Let it all go (oh, ooh, oooh) Feeling so high
When you know it you're hypnotized
In the moment just lose your mind
In the meantime
Let it all go (oh, ooh, oooh) Close your eyes
When we hear it were hypnotized
From the feeling so say goodbye
In the meantime
Let it all go (oh, ooh, oooh) Feeling so high
When you know it you're hypnotized
In the moment just lose your mind
In the meantime
Let it all go (oh, ooh, oooh)
