Searchin'

CeCe Peniston

Here I come, there I go
I'll keep on searchin' around
Lookin' here, lookin' there
Tell me where love can be foundCHORUS:
I'll be searchin'
Searchin' for a love to call my own
I'll be searchin'
Cause I don't wanna have to be aloneWhere to go, I don't know
I'm going out of my mind
I know it's there, there somewhere
True love is oh so hard to findCHORUSI just won't stop searchin'
And I'll be prayin'
Help me from up above
I'll just keep on workin'
Cause ain't no playin'
Until I find my loveCHORUSVAMP:
I don't wanna be alone, baby
I don't wanna be alone, no
I don't wanna be alone, baby
I don't wanna be alone, no
