# Serve the Lord

## Fire Engine Red

I'm Gonna serve you Lord, serve you with all my heart
I'm gonna serve you Lord, serve you with all my mind
serve, you, Lord, serve you all the time.I'm Gonna serve you Lord, serve you with all my heart
I'm gonna serve you Lord, serve you with all my mind
serve, you, Lord, with everything I've GotI'm Gonna sacrifice, everything I've got
There's no holding back all good things come from God
serve, you, Lord, Serve the living God.What would Jesus do, well he'd die for me and you
What would Jesus do, he'd serve you
What would Jesus do, oh yeah well he'd serve youI'm Gonna serve you Lord, serve you with all my heart
I'm gonna serve you Lord, serve you with all my mind
serve, you, Lord, in heart, soul and mind.What would Jesus do, well he'd die for me and you
What would Jesus do, he'd serve you
What would Jesus do, oh yeah well he'd serve youI'm Gonna serve you Lord, no matter what it costs
Christ, make me more like you, let all of me be lost
serve, you, Lord, No matter what it costs.
