

# Come on Over

## Royal Blood

I'm on a train going nowhere  
I ran away to make you care  
This ain't my house this ain't your home  
Not when I'm feeling this aloneSo come on over yeah,  
I've waited since you start believin'  
Yeah so come on over yeah,  
Well there's no God and I don't really careLet's run away, get out of here  
I got no money and I don't care  
This ain't my house this ain't your home  
Not when I'm feeling this aloneSo come on over yeah,  
I've waited since you start believin'  
Yeah so come on over yeah,  
There's no God and I don't really care, I don't really careI'm on a train going nowhere  
I ran away to make you care  
This ain't my house  
This ain't your home  
Not when I'm feeling this aloneSo come on over yeah,  
I've waited since you start believin'  
Yeah so come on over yeah,  
Well there's no God and I don't really care
