

# Baby, I'm In the Mood for You

Dion

Sometime I'm in a mood, I wanna leave my lonesome home  
Sometime I'm in a mood, I wanna hear my milk cow moan  
Yeah, sometime I'm in a mood, I wanna hit the highway road  
Lo, then again, then again, then again, then again

Oh baby, I'm in the mood for you Well, sometime I'm in a mood, I'm wanna back up against the wall

Sometime I'm in a mood, I wanna live in a pony's stall  
Yeah, sometime I'm in a mood, I don't wanna do nothin' at all  
Then again, then again, then again, then again

I said, oh baby, I'm in the mood for you, oh  
Oh, sometime I'm in a mood, I wanna lay me down and die  
Sometime I'm in a mood, I'm wanna fly right through the sky  
Yeah, sometime I'm in a mood, I wanna laugh until I cry  
Then again, then again, then again, then again

Oh baby, I'm in the mood for you
