

Wanderer's Guild

Armor for Sleep

I cannot speak when I want to
Try my voice 'till it burns
Through the core of my own throat
Speak until the demands gone
You should be downstairs with them
You're wasting your time again
Listen I'm fine now
Listen I'm fine now
Listen I'm fine now
I don't want to talk right now
Thank you for your concern
I could speak 'till the world ends
To make up for all that I left out
I register with the wanderers guild
And be a nomad with a million words
You should be downstairs with them
You're wasting your time again
Listen I'm fine now
Listen I'm fine now
Listen I'm fine now
I don't want to talk right now
Thank you for your concern
Air conditioning, you can stay quiet all night
You could stay quiet all night
Air conditioning, you can stay quiet all night
You could stay quiet all night
Listen I'm fine now
Listen I'm fine now
Listen I'm fine now
I don't want to talk right now
Thank you for your concern
Listen I'm fine now
Listen I'm fine now
Listen I'm fine now
I don't want to talk right now
Thank you for your concern
