

Daydream Interlude

Mariah Carey

La da da
So sweet
In my daydream
Every night you creep into my dreams
Fantasy
It's so real but it's a fantasy
Every night you creep into my dreams
It's so real
In my daydream
It's just as sweet
It is so sweet
And oh
In my daydream
It seems so real
Touch me
Come into my dreams
Come to me
But it's just a fantasy
It feels so sweet
But it's just not real
Oh baby
It's just a sweet
Fantasy
Daydream is all that I can do
I feel pleasure over you
In silence
I keep it to myself
Come take me
Don't want nobody else
La da da di da
And it's sweet
So sweet
And it's sweet
So sweet
And it's sweet
So sweet
And it's deeper than like a reality(so sweet, o sweet)
Building in the sky
But it's just a fantasy

Oh baby
Come into my dreams
It's just a fantasy
