Don't Let Go

Spawnbreezie

Take my hand and donâ€™t let go
im addicted to your loving
but if you should know how my love goes
then baby stay close

Take my hand and dont let go
im addicted to your loving
but if you should know how my love goes
then baby stay close

You wont ever have to cry
so wipe them tears from your eyes
as long as youre by my side
you wont shed no tears
cause everything will be just fine
as long as you dont let go

Dont let go
Dont let go
Everything will be just fine
as long as you stay by my side
and dont let go

Take my hand and follow me
Iâ€™ll take you down a path so you can see
of what this truly means
you are my queen
iâ€™m down on my knees

Im here to serve you my dear love
anything you ask, baby, its done
iâ€™ll cater to you, anything you need
but baby please
as long as you donâ€™t let go

Dont let go
dont let go
Everything will be just fine
as long as you stay by my side

and donâ€™t let go

Somebody sing it one more time

Dont let go
dont let go
Everything will be just fine
as long as you stay by my side
and donâ€™t let go
