King Eternal

Mercyme

All men condemned by men to die
Damned by blind bitch in hallowed halls
Hear it, heed this call
Oh fucking eternal
Infinity's hourglass will measure
All measure all, so, power
Cover your balls
'Cause we swing kung fu
Oh fucking eternal
Oh fucking eternal
Afraid of thunder children, so hide your ears
Hope your fortress holds up for many many many years
Shudder, it's a shame, lightning, call the game
Send us up a baby boy let the smoke carry his name
If it's a girl let her shine
If it's a girl let her shine
If it's a girl let her shine
If it's a girl let her shine
If it's a girl let her shine
If it's a girl let her shine
If it's a girl let her shine
If it's a girl let her shine
We will be, we will be, we will be
We will be, we will be, we will be
We will be, we will be, we will be
Oh fucking eternal
The hour of man is nigh so gather up all supplies
And stack 'em up high, stack 'em up high
Faith, Nathan I could see it in your eyes
Warmth, Nathan I can see it in your eyes
Golden houses, silver brides
Immortal erection, tongues untied
Oh fucking eternal
Oh fucking
