

Snowball In Hell

They Might Be Giants

Avalanche or roadblock
I was a snowball in hell
Avalanche or roadblock
A jailer trapped in his cell Money's all broke, and food's going hungry
If it wasn't for disappointment
I wouldn't have any appointments Side effect or drug trip
Don't tease me with all of your might
Side effect or drug trip
My panacea's in a Xerox shop Have a nice day, you want it when?
Have a nice day, have a nice day I didn't expect to find a salesman drinking coffee this late in the morning.
How long you been here, Joe?
Oh, I don't know, I guess thirty, forty-five minutes maybe.
Why do you ask?
You must be making a lot of sales, piling up good income.
Oh, uh, I'm doing all right. I could do better, but
Oh haha I get it Paul.
Back on that old "Time is Money" kick, right?
Not back on it, Joe, still on it. Avalanche or roadblock
I was a snowball in hell
Avalanche or roadblock
A jailer trapped in his cell
Money I owe, money-iy-ay
Money I owe, money-iy-ay Avalanche or roadblock
I was a snowball in hell Okay, okay
Okay, okay, okay let's
Okay, okay
Okay, okay, okay let's
Okay, okay
Okay, okay, okay let's Avalanche or roadblock
I was a snowball in hell
Avalanche or roadblock
A jailer trapped in his cell Money's all broke, and food's going hungry
If it wasn't for disappointment
I wouldn't have any appointments Did I affect your drug trip
Don't tease me with all of your might
Did I affect your drug trip
You threw my wallet in the wishing well Have a nice day, you want it when?
Have a nice day, have a nice day I didn't expect to find a salesman drinking coffee this late in the morning.
How long you been here, Joe?

Oh, I don't know, I guess thirty, forty-five minutes maybe.
Why do you ask?
You must be making a lot of sales, piling up good income.

Back on that old "Time is Money" kick, right?
Not back on it, Joe, still on it. Avalanche or roadblock
I was a snowball in hell
Avalanche or roadblock
A jailer trapped in his cell Money's all broke, and food's going hungry
If it wasn't for disappointment
I wouldn't have any appointments Avalanche or roadblock
Yes, I was a snowball in hell
I was a snowball in hell Not back on it, Joe, still on it.
Not back on it, Joe, still on it.
Not back on it, Joe, still on it.
