

Alright

Peter Frampton

Alright Maybe I could show you a thing or two
If only I could change the world for you
I could get stopped by an alien plane
Taking me up where it won't be the same again
Alright 'til the day I die Maybe baby you can tell right from wrong
I wonder if you knew we could be so strong?
Now we could be here for a thousand years
If I knew I wouldn't hide my fears
Yeah, cause I'll be Alright sea and sunlight
Alright love and stage fright
Alright 'til the day I die Time it heals a million points of view
And yet I see my watch has smashed in two
Now I can remember when I used to believe
People were real
I wish the air was all clean again, yeah Alright sea and sunlight
Alright love and stage fright
Alright 'til the day I die, yeah Don't take offense at your expense
It's just one big experience, oh yeah Alright sea and sunshine
Alright love and moonshine
Alright 'til the day I die Alright sea and sunlight
Alright love and moonshine
Alright 'til the day I die Alright, alright
Alright 'til the day I die Alright, alright
Alright 'til the day I die, yeah Alright sea and sunshine
Alright love and moonshine
Alright 'til the day I die Alright sea and sunlight
Alright love and moonshine
Alright 'til the day I die
