

Wither, I'm a Flower

Whiskeytown

Whether, I'm a lover
Wither, I'm a flower
Whether, I'm a lover
Wither, I'm a flower So city is my sister
And country is your brother
Learn to lose your battles
Cryin' on a shoulder Whether, I'm a lover
Wither, I'm a flower
Whether, I'm a lover
It's so small against the years Whether, I'm a lover
Wither, I'm a flower
Whether, I'm a lover
Wither, I'm a flower
