

# Truth Hurts (Confessions Special Edition Version)

Usher

Yeah umm  
See it's situations like this  
That causes us players to get caught up  
In umm the truth (truth hurts)  
Yeah  
(Truth hurts) what you doing, where you been?  
I paged you and you ain't hit me back  
I been callin' and I know you see my number on that caller I.D.  
Just listen to the words (truth hurts) I got reason to believe that you've been foolin' around  
The way you feel, the passion in us  
The things you did  
It don't matter to me  
For what it's worth just don't lie to me  
'Cause that ain't what I need right now  
Baby, everything we built on trust  
You're tearing it down  
'Cause I know the truth hurts (truth hurts) Tell me the truth now  
What cha been doing and who  
Ya been doing it with (truth hurts)  
Where you been going and  
How you been putting ya thing down (truth hurts)  
Whatever you was working  
I hope that it was worth it baby (truth hurts)  
I got reason to believe that you been foolin' around Girl, I'm really tryin' hard to understand  
I want to move on and put it in the past  
'Cause, you claim that you ain't doin' nothing  
Must be my insecurities  
It's got the best of me right now  
What I know I can't hold it inside of me  
It's gonna drive me insane (Truth hurts, truth hurts) Tell me the truth now  
What cha been doing and who  
Ya been doing it with (truth hurts)  
Where you been going and  
How you been putting ya thing down (truth hurts)  
Whatever you was working  
I hope that it was worth it baby (truth hurts)  
I got reason to believe that you been foolin' around Ba ba ba ba ba  
Ba ba ba ba ba  
Ba ba ba ba ba

Ba ba ba ba  
Sing it with me now (ba ba ba ba ba)  
Oh yeah, oh yeah yeah yeah (ba ba ba ba ba)  
I can't hold on (truth hurts) Now wait a minute  
Oh, listen babe (truth hurts)  
The truth is I've got the secret  
I've been keeping from you baby  
'Cause I know that you  
Gonna tear up the place  
Punch me in my face  
Pull the hot clips out  
I think you need to sit down oh  
I been blaming you  
When I the one doing wrong  
I'm gonna go on  
My guilty conscience  
Is the real reason I wrote this song (Truth hurts, truth hurts) Tell me the truth now  
What cha been doing and who  
Ya been doing it with (truth hurts)  
Where you been going and  
How you been putting ya thing down (truth hurts)  
Whatever you was working  
I hope that it was worth it baby (truth hurts)  
I got reason to believe that you been foolin' around Tell me the truth now  
What cha been doing and who  
Ya been doing it with (truth hurts)  
Where you been going and  
How you been putting ya thing down (truth hurts)  
Whatever you was working  
I hope that it was worth it baby (truth hurts)  
I got reason to believe that you been foolin' around  
Ba ba ba ba ba
