

# Company You Keep

Maren Morris

Everyone's always talking about their favorite destination  
Where they're gonna go on their next vacation  
Gotta make that flashy reservation  
Don't wanna wait in line  
When we're sittin' on the couch and lookin' at the pictures  
The background's only a secondary fixture  
Where we went for dinner, shoot I don't remember  
But we had a good time Together, Together  
We can do whatever, whatever We can walk right up the street  
Where the locals roll, we ain't gotta go international  
Baby just have an apartment party  
We don't need no Hollywood suite, Ooooo  
Don't matter what we do  
Anything with you sounds fun to me  
It's all about the company you keep  
Yeah, 'bout the company you keep  
So come on, keep me company  
Ooooo Listen  
When it comes down to it, nobody really cares  
Where you had your birthday, just who was there  
Buy you a shot, then hold back your hair  
And take you to Waffle House  
Will the circles that you runnin' when you runnin' around  
Bail you out, make you laugh, pick you up when you're down  
Hangin' out in your hometown  
Hey that's what it's all about Whatever, whatever  
We're all in it together, birds of a feather We can walk right up the street  
Where the locals roll, we ain't gotta go international  
Baby just have an apartment party  
We don't need no Hollywood suite, Ooooo  
Don't matter what we do  
Anything with you sounds fun to me  
It's all about the company you keep  
Yeah, 'bout the company you keep  
So come on, keep me company We can walk right up the street  
Where the locals roll, we ain't gotta go international  
Baby just have an apartment party  
We don't need no Hollywood suite, Ooooo  
Don't matter what we do

Anything with you sounds fun to me  
It's all about the company you keep  
Yeah, 'bout the company you keep  
So come on, keep me company Whatever, we're all in it together  
Yeah, so come on, keep me company
