

Friday Night

Los Lonely Boys

Well it's Friday night, I'm gonna have some fun tonight
Well it's Friday night, I'm gonna have some fun tonight
I'm gonna do everything, gonna make it outasight
Well I throw on my zoot suit, m' Stacy Adams too
Oh, I throw on my zoot suit, m' Stacy Adams too
I'll be wearing my silver chain, lookin' oh-so-cool
Well I'm off in my 1950 Mercury
Whoa I'm off in my 1950 Mercury
I'm gonna cruise around town 'til I find a girl for me
"cause it's Friday night, I'm gonna have some fun tonight
Well it's Friday night, I'm gonna have some fun tonight (ha ha ha)
I'm gonna do everything, gonna make it outasight
And I throw on my zoot suit, m' Stacy Adams too

Oh, I throw on my zoot suit, m' Stacy Adams too
I'll be wearing my silver chain, lookin' oh-so-cool
One more time, Henry!
Aw, bring it down, Ringo!
Well I'm off in my 1950 Mercury
Whoa I'm off in my 1950 Mercury
I'm gonna cruise around town 'til I find a girl...
Cruise around town 'til I find a girl...
Cruise around town 'til I find a girl for me!
