Hearts Are Gonna Roll

Hal Ketchum

Ever since she was a baby
Settin' on her daddy's knee
Had him wrapped around her finger
Doing anything she pleasedShe had a way of getting what she wanted
But Daddy knew in his mind
The pretty soon the boys would come runnin'
It's just a matter of time beforeHearts are gonna roll
Heads are gonna turn
Tears are gonna fallA bridge is gonna burn
Hearts are gonna roll
Hearts are gonna rollNow she changes like the weather
Never stays in love too long
She'll take you to the limit
Just to leave you hangin' onDrop dead looks and a mind for trouble
That's all the girl's ever known
Leavin' behind a path of destruction
No matter where she goesHearts are gonna roll
Heads are gonna turn
Tears are gonna fallA bridge is gonna burn
Hearts are gonna roll
Hearts are gonna rollDon't fall under the spell of her eyes, boy
She's not looking at you
Take it from somebody who knows
She's movin' right one throughAnd hearts are gonna roll
Heads are gonna turn
Tears are gonna fallA bridge is gonna burn
Hearts are gonna roll
Hearts are gonna rollEver since she was a baby
Settin' on her daddy's knee
Had him wrapped around her finger
Doing anything she pleased, he knewHearts are gonna roll
Hearts are gonna roll
Hearts are gonna roll
Hearts are gonna roll
Watch 'em roll now
