Parachute

Madeleine

You came in and broke down all my walls
Helped me build a fence around my heart
I hope youâ€™re there to catch me cause Iâ€™m falling
Falling down from clouds of distant stars

I WISHED UPON A STAR UP ABOVE
Iâ€™D PARACHUTE INTO ARMS FULL OF LOVE
AND Iâ€™M FALLING
THEREâ€™S A CHANCE Iâ€™LL SHATTER AND BREAK
BUT ONCE I JUMP OH ITâ€™S WAY TOO LATE
CAUSE Iâ€™M FALLING
Iâ€™M FALLING

I donâ€™t know if this will last our whole lives
But forever doesnâ€™t feel like long enough
We could pack it all and take a long drive
Run away where time wonâ€™t catch up

I WISHED UPON A STAR UP ABOVE
Iâ€™D PARACHUTE INTO ARMS FULL OF LOVE
AND Iâ€™M FALLING
THEREâ€™S A CHANCE Iâ€™LL SHATTER AND BREAK
BUT ONCE I JUMP OH ITâ€™S WAY TOO LATE
CAUSE Iâ€™M FALLING
Iâ€™M FALLING
