Is It Real?

together PANGEA

Soul searching but the feel keeps passing by,
I know you're angry
Cloudy water and control can't keep me dry
I can't stop thinkingIs it real?
Is it real?
Is it real?
Am I high?Is it real?
Is it real?
Is it real?
Am I high?Time after time I'm thinking of the way of the way I could die
Someone somewhere
Something I might
Is it real?
Is it real?
Is it real?
Am I high?Is it real?
Is it real?
Is it real?
Am I high?Get back
Get back
Get back our heartGet back
Get back
Get back our heartGet back
Get back
Get back our heart
Get back
Get back
Get back our heartYour head is on fire but your brain don't know
Tell me if you figure it out
Feel the heat but you can't lay low
Tell me if you figure it outToo space aged I can't behave
Tell me if I'm too far out
I lost my name but it's all the same
Tell me if I'm too far out
