Perfect Lie

Phrenia

A light in the darkness
He shows you the way,
They told you to follow
Now you can't turn away,
You're too weak to stand out.
Oh, don't believe their lies.

In the end we will all see the truth,
And your dream will disappear,
Are you ready?

We watch how the sun goes down,
And the light slowly disappears.
(Believe the lie, believe the lie)
Silently the death takes us,
And it's too late to see through all those lies.

Believe in false hope,
And you'll see a fake world,
You're dreaming a lie that nothing can ever break you.
In the ocean of lies
Tell me how can we see the only truth?

In the end we will all seek the true,
And their dreams will disappear,
Are you ready?

We watch how the sun goes down,
And the light slowly disappears.
(believe the lie, believe the lie)
Silently the death takes us,
And it's too late to see through all those lies.

As the end is near, as we fall below,
You won't hear my voice, you won't see me anymore.

A light in the darkness, he shows you the way,
It's too late to run away, you can't run away, you can't turn away.

They won't let you go.

They won't let you go.
