

No Pride

Green Day

Well I am just a mutt
And nowhere is my home
Where dignity's a land mine
In the school of lost hope I've panhandled for life
'Coz I'm not afraid to beg
Hand me down your lost and founds
Of second hand regrets You better swallow your pride
Or you're gonna choke on it
You better digest your values
'Coz they turn to shit Honor's gonna knock you down
Before your chance to stand up and fight
Well I know I'm not the one
I got no pride No sects of disconnection
And traditions of lost faith
No culture's worth a stream of piss
Or bullet in my face To hell with unity
Separation will kill us all
Torn to shreds and disjointed
Before the final fall You better swallow your pride
Or you're gonna choke on it
You better digest your values
'Coz they turn to shit Honor's gonna knock you down
Before your chance to stand up and fight
Well I know I'm not the one
I got no pride Better swallow your pride
Or you're gonna choke on it
You better digest your values
'Coz they turn to shit Honor's gonna knock you down
Before your chance to stand up and fight
Well I know I'm not the one
I got no pride
I've got no pride
Close your eyes and die
I've got no pride
