

Waking Dream (King Britt Remix)

[Natalie Walker](#)

Pinch me is this real?
This feeling of release
I'm floating in your heaven
In the corners of my dreams Tasting life (ooh)
Numb again
Close my eyes (ooh)
It begins I cannot stumble here
I am safe inside my head
When I wake up I'll forget
I'll come back to my mess I will not leave (ooh)
Stay asleep
Slip further in (ooh)
My ecstasy Safe inside my mind I hide... Tasting life (ooh)
Numb again
Close my eyes (ooh)
It begins
I will not leave (ooh)
Stay asleep
Slip further in (ooh)
My ecstasy
