

Stay With Me (Acoustic Version)

You Me At Six

You've got a lot to say
For the one that walked away
I give, you take
That's the way it's always been Oh, how do I know
If I should stay or just go?
The bottom line is this way
That I'll never know Stay with me
Stay with me, stay with me
Stay with me, oh Whoa, whoa, whoa
Whoa, whoa, whoa You've got a lot to say
For the one that pushed me away
I give, you take
Some things, they never change
Just change Stay with me
Stay with me, stay with me
Stay with me I never knew that I could be this way
(Stay with me)
I never knew that I could walk away
(Stay with me) These things take time to grow
It's been said that time heals wounds
But no, I won't be controlled
And so the story goes Stay with me
Stay with me, stay with me
Stay with me And now I know that I can be this way
(Whoa, whoa, whoa)
And now I know that I can walk away
(Whoa, whoa, whoa)
