Recyclable Body Fluids in Human Form

Locust

Such and such a hero
has done so and so
Dick mythology (dickology),
don't miss outJust an ambidextrous hunch
spawning an armless puppet child
skeptically in cahoots with
objectionable arch archetypes
Gullibility's acknowledgment confirms
by means of a broish' head nod,
Bamboozled nullifying vaccine
appreciationYet tip of the tongue cognition
yields to voiceless epiphanies
Pee floodgates just waiting for a pissy day.
