

# Anyway (ft Tayla Parx) (Prod. Blaq Tuxedo)

Chris Brown

'Cause I'mma love you anyway  
'Cause I'mma love you anyway I know you probably never had somebody  
Loving you like I do, someone that's there for you  
Don't judge ya 'cause I know we only human  
I must be stupid babe, letting you slip away If you show me all your flaws, I'll show you mine  
I'll claim your baggage, no longer need to hide 'Cause I'mma love you anyway  
'Cause I'mma love you anyway  
'Cause I'mma love you anyway  
'Cause I'mma love you anyway I wish that you could see you like I see you  
It's like that you're no good, you're just misunderstood  
Now it's my job to make you a believer  
Them boys ain't like this man, can't love you like I can If you show me all your flaws, I'll show you mine  
I'll claim your baggage, no longer need to hide 'Cause I'mma love you anyway  
'Cause I'mma love you anyway  
'Cause I'mma love you anyway  
'Cause I'mma love you anyway Lemme get it like  
Lemme get it like  
Lemme get it like  
Lemme get it like 'Cause I'mma love you anyway  
'Cause I'mma love you anyway
